Dear Parish,

People tell me they are frustrated by the fact that so many people in our world go to bed hungry every day. You can do something! {It's not everything but it's not nothing either!} I know that's bad English - but consider now signing up with 10 of your best buds to join the local Crop Walk.

## Hunger : Facts and Faces

### Hunger : Progress and Distress

In September 2000, 189 countries, including the United States, endorsed the Millennium Development Goals to cut in half the percentage of people living in extreme poverty and substantially improve health and education in impoverished countries by 2015.

In 19 developing countries, the number of hungry has dropped by 80 million over 10 years.

Over 923 million people around the world remain hungry - more than the population of the western hemisphere.

Most of these people are not victims of famine, but suffer from chronic hunger and malnutrition that stunts growth and saps energy and potential.

Every day, more than **16,000 children** die from hunger related causes...about one child every 5 seconds.

Founded in 1946, Church World Service stands with impoverished peoples around the world as they envision and fashion a better future. Last year CROP Hunger Walks and events raised over \$17 million to support the hunger-fighting work of Church World Services around the block and around the world.

This year's Walk is scheduled for Sunday, October 25<sup>th</sup> at 1:30 pm at the Alvin Williams County Park, in Sewaren. You can register the day of the walk or call 732-283-1188 for further information.

St. James Food Pantry does benefit from this walk. This walk raised over \$5000 last year.

Our goal this year is set at \$7,500. We can do this!

We will also have a Mini-Walk within the park for families with young children and others that wish to participate but who are unable to complete the 6.2 miles.

Mark your calendar now - This is a personal invitation from the Woodbridge Interfaith Clergy Council of which I am a member. This fall The Catholic Community of St. James will be hosting the Woodbridge Thanksgiving Service on Tuesday, November 24<sup>th</sup> at 7:30 pm. Come out and meet lots of new folks!

FYI ~ Fr. Peter Tran is in Vietnam attending a family member's wedding and was scheduled to return on Sept. 6<sup>th</sup>. However he injured his shoulder and will be returning home shortly. Please pray for him and his safe return to us.

Blessings and Grace  
Fr. Charlie Cicerale  
Pastor

**THE CATHOLIC COMMUNITY OF ST. JAMES**  
**HISTORICAL CORNER**

Because of the heating fuel shortage in 1981, Monsignor Crine decided to celebrate the daily Masses in the Chapel in Emmaus House. Monsignor had an altar base from Italy and asked Matthew Golubieski a parishioner to build an altar top and lectern for use in the chapel. Then Bishop Theodore McCarrick consecrated Emmaus House and the Altar in December 1981. The altar stood there for 10 years and Fr. John Murphy had the altar moved back to church. The lectern is now in use at the Sr. James Mausoleum.
